

FALCONWOOD INC.

About Falconwood, Inc:

Falconwood, Inc. is a woman/veteran-owned, small business providing executive level consultants and programmatic support to Department of Defense Information Technology (IT) initiatives and programs.

We provide expert consultation on a diverse range of IT subjects focusing on acquisition strategy, implementation activities and Information Assurance policy and engineering.

We have an immediate opening for a **Fielding and Sustainment Support** to support Program Executive Office Command, Control, Communications, Computers, & Intelligence (PEO-C4I) Program Manager, Warfare (PMW) 130 Network Security Division Fielding and Sustainment APM.

Duty Location:

San Diego, CA

**Minimal travel may be required*

The Fielding and Sustainment Support:

- Provide direct support to the PMW 130 Fielding and Sustainment APM, collaborating within the program office, Naval Information Warfare Centers (NIWC), and shore-based matrixed teams to support the fielding and sustainment of the Computer Network Defense (CND) capabilities and completing all acquisition processes
- Collaborate on installation efforts with NIWC engineering, integration, fielding, and In-Service Engineering Agent (ISEA) points of contact to ensure successful fielding and sustainment efforts are completed
- SPAWAR / PEO Integrated Data Environment and Data Repository (SPIDER) and Navy Data Environment (NDE) data entry, review, and tracking of installations
- Coordinate training efforts between the SPAWAR Program Office APM-Training, NAVIVOR, Training Development and Support Center (TDSC), and training instructors to ensure Fleet Sailors and Government employees acquire needed Computer Network Defense - Operating System Environment (CND-OSE) product maintenance and sustainment training
- Collaborate with the PMW 130 APM- Training team to facilitate HBSS training for Surface and Submarine Regional Maintenance Centers (RMCs), Fleet System

FALCONWOOD INC.

Engineering Teams (FSETs), Military Sealift Commands (MSCs), Navy Information Operation Centers (NIOCs) and Afloat Training Groups (ATG) commands
