

# FALCONWOOD INC.

## **About Falconwood, Inc:**

Falconwood, Inc. is a small, woman/veteran-owned business providing executive level consultants and programmatic support to Department of Defense (DoD) Information Technology (IT) initiatives and programs.

We provide expert consultation on a diverse range of IT subjects focusing on acquisition strategy, implementation activities and Information Assurance policy and engineering.

We have an immediate opening for an **Information Systems Security Officer (ISSO)**.

## **Duty Location:**

New Orleans, LA

*\*Minimal travel may be required.*

## **The ISSO will:**

- Manage all aspects of the information security system, including researching, testing, training and implementing programs designed to safeguard sensitive information from any possible breaches
- Provide subject matter expertise with security analysis and assessment of business information system (BIS) applications and associated components on various platforms -- STIGs and NSA Guides are the configuration standards for DoD devices/systems
- Assist with Cyber security on unclassified and classified BIS applications for various Navy organizations
- Assist with Vulnerability Management to ensure applications adhere to the confidentiality, integrity, and availability requirements for DoD and other sensitive and classified information
- Perform analysis of IAVM / CVE vulnerabilities
- Perform network and other vulnerability scanning and analysis of results -- ACAS, SCAP, etc.
- Compile consolidated vulnerability worksheets, providing specific remediation and mitigation guidance tailored to each system and vulnerability
- Evaluate vulnerabilities using the Common Vulnerability Scoring System and/or other vetted methods
- Identify critical vulnerabilities and assist with prioritizing vulnerability remediation
- Generate Cyber security metrics for each PMW 250 application

## **Qualifications and Education Requirements:**

- Minimum SECRET clearance
- Bachelor's degree in Computer Science, Information Systems/Technology, Engineering, or other related field, or 7 years Cyber Security experience

# FALCONWOOD INC.

- Minimum 4 years applied DoD or DON Cyber Security, Certification and Accreditation (C&A) or A&A experience
- Approved NQV
- Knowledge of RMF
- Knowledge of eMASS, VRAM, ACAS, etc.
- Ability to think independently with minimal oversight, as well as demonstrate exceptional written and oral communications skills
- Exemplary customer/client management skills and techniques

**Preferred Skills:**

Experience with eMASS and doing RMF packages (Cloud experience preferred); secure design, operation, and configuration; proper handling and protection of sensitive information, etc.
